

One of the Occupella Songs:

Sung to “This Land is Your Land” by Evie Kosover

**This land is your land.
This land is my land,
From California to the New York Island.
From Main Street corners,
To halls of Justice -
This land belongs to you and me.**

**Justice has faltered.
Fairness is gone,
Cor-por-a-tions
have long since won.
They corrupt our Congress,
That’s not okay.
The High Court gave
Our vote away.**

**We occ-u-py
Land that’s our land,
Demanding justice
From court decisions
We want the lawyers,
And judges too.
Return our land
To me and you.**
